We have a secret you would die for...Madeline Ashton (Megan Hilty) is the most beautiful actress (just ask her) ever to grace the stage and screen. Helen Sharp (Jennifer Simard) is the long-suffering author (just ask her) who lives in her shadow. They have always been the best of frenemies...until Madeline steals Helen's fiancé away. As Helen plots revenge and Madeline clings to her rapidly fading star, their world is suddenly turned upside down by Viola Van Horn, a mysterious woman with a secret that's to die for. After one sip of Viola's magical potion, Madeline and Helen begin a new era of life (and death) with their youth and beauty restored...and a grudge to last eternity. Death Becomes Her, based on the classic 1992 film, is a drop-dead hilarious new musical comedy about friendship, love, and burying the hatchet...again, and again, and again.
