Day Trips

Death Becomes Her on Broadway **March 18, 2026—\$210pp**

Based on the classic 1992 film, this is a drop-dead hilarious new musical comedy about friendship, love, and burying the hatchet...again, and again, and again. Actress Madeleine and author Helen have always been the best of frenemies...until Madeline steals Helen's fiancé away. As Helen plots revenge and Madeline clings to her rapidly fading star, their world is suddenly turned upside down by Viola Van Horn, a mysterious woman with a secret that's to die for. After one sip of Viola's magical potion, Madeline and Helen begin a new era of life (and death).

The People's House & Arlington National Cemetery **September 2, 2026—\$199pp**

Step onto our private tram for a narrated tour through Arlington National Cemetery. We will make stops at the Tomb of the Unknown Soldier, JFK Gravesite, and Arlington House. This is a private, immersive experience to maximize your visit to this historic venue. Then head to The People's House: A White House Experience to take in the immersive galleries and exhibits where history comes alive including a full-scale replica of the Oval Office where you can sit behind the iconic Resolute Desk, become a guest at a State Dinner, listen to a Cabinet meeting, and so much more.
